

## SECTION 1 GEOGRAPHY

Use with North America Geography & History,  
Section 1.3, in your textbook.

## 1.3 Western Mountains and Deserts

### Reading and Note-Taking Compare and Contrast Landforms

Use a Venn Diagram to help you compare and contrast landforms of the Western United States as you read Section 1.3. Note details about the Great Basin and the Grand Canyon. Then note how they are similar where the circles overlap.

**Make Generalizations** Write a generalization about these two landforms based on the information in your diagram.
