

SECTION 1 GEOGRAPHY

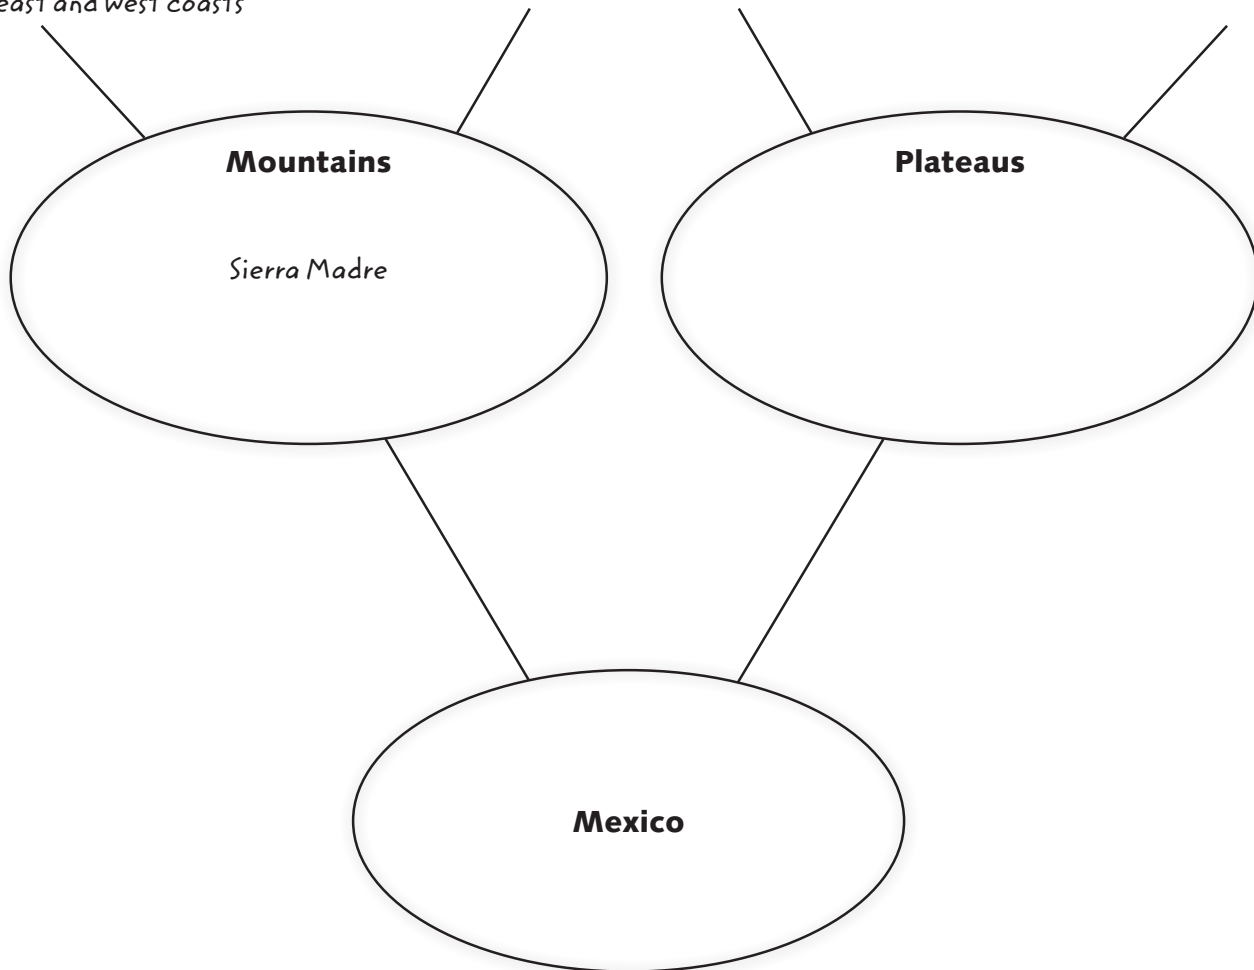

Use with North America Geography & History,
Section 1.4, in your textbook.

1.4 Mexico's Mountains and Plateaus

Reading and Note-Taking Categorize Information

Use a Concept Cluster to keep track of information about Mexico as you read Section 1.4. Add more lines to the ovals if needed.

*two ranges; run along
east and west coasts*

Evaluate Based on what you read in Section 1.4, why do you think the location of Mexico City has resulted in its having about a quarter of the country's entire population?
