

POSERS

Photograph/Illustration Analysis

		Questions to ask	My observations
P	People	Who do you see in this picture? What is their clothing like? How old are they?	
O	Objects	What objects do you see in the photograph? Can you explain the function or the purpose of all the objects?	
S	Setting	What is the setting of the picture? What plants/animals/natural features or buildings do you see?	
E	Engagement (or Action)	What action do you see between the people in the picture? Are they showing any kind of emotion? Is there a freedom that is being taken away?	
R	Relationships	What relationships do you see in the picture between the individuals and the objects? Do the objects mean something to the people? Is there any resistance? What form does it take?	
S	Summary	Based on the questions presented and your observations, what are one or two things you can summarize about this photo?	
<p>Questions I still have or information I still need AND what other information do you know about this?</p>
